Four ways we're helping social landlords

www.4point2.org.uk

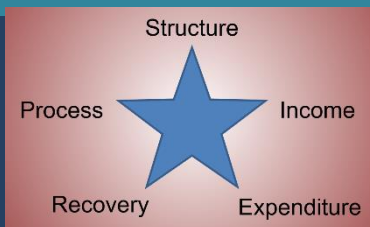

Business planning and financial modelling

We have helped many organisations improve their strategic approach to business planning and make better use of tools. We are a Brixx partner and Excel experts too

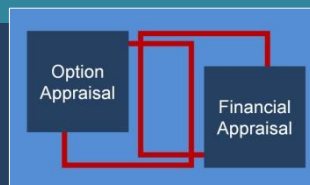

Five star VAT service

Our Five Star VAT service is an enhanced VAT 'healthcheck' which focuses on the 5 key areas every housing organisation must address

Financial accounting

We offer everything from workshops to help your thinking, through to hands-on practical help to deliver projects and services

Understanding Assets

Our Insight Analysis approach is well established as the sector-leading, most adaptable, no fuss way to get the full asset performance picture, and the right VfM foundations.
